

Internship – Growth Equity LTS Investments

Overview

LTS Investments is a global investment office that supports the existing and new investments of a group of partners responsible for developing several businesses over the last 40 years, including AB InBev, 3G Capital, On Running and StoneCo.

Our purpose is to support outstanding leaders and entrepreneurs in achieving their big dreams. We have offices in different countries and a broad mandate in terms of regions and sectors.

We are looking for an **Intern** to join our Growth Equity team in **São Paulo**. LTS Growth operates in both private and public markets, with a private mandate focused on high-growth companies. Our mandate is flexible regarding check size, sector, geography, and company stage. The current portfolio includes ~30 businesses, mostly in the tech sector.

Key Responsibilities

- Support deal execution through detailed financial modeling, due diligence processes, and preparation of investment memos and presentations.
- Assist in managing portfolio companies, including tracking performance metrics and conducting ad-hoc analyses.
- Collaborate with the investment team on various projects, including deal sourcing and developing detailed industry overviews.

Ideal Candidates

- Bachelor's degree in a top-tier institution, with graduation expected by **June 2025** or later;
- Exceptional English communication skills;
- History of perseverance and grit, excellent analytical skills, and proficiency in Excel and PowerPoint;
- Prior experience in related areas is a plus.

Application

- Please access lts-investments.com/Careers, select the LTS Growth internship position, and send your CV.

In the event of any questions, please contact people@lts-investments.com and ensure you specify the role you are applying for in the e-mail subject line.
